PROFESSIONAL SUMMARY

Computer Science graduate (BSc, CGPA 3.65/4.0) with a major in Information Systems, offering dual expertise in full-stack web development (MERN) and data-centric principles from Data Science and Human-Computer Interaction. Experienced in building responsive, production-ready web applications with React.js, Next.js, Node.js, NestJS, and PostgreSQL. Strong foundation in algorithms, and the software engineering lifecycle. Seeking an entry-level role to web development, optimize systems, and drive data-informed decision-making.

TECHNICAL SKILLS

Frontend	HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Tailwind CSS, WordPress (Elementor)
Backend	Node.js, Express.js, NestJS, PostgreSQL, MongoDB, PrismaORM
Data Science	Data Analysis, R Language, CNN Approaches
Familiar Languages	Java, C/C++, Bash/Shell
Tools & Platforms	Git, GitHub, Postman, Jira, Trello, Insomnia, Arduino, Firebase
Core CS Concepts	Data Structures & Algorithms, OOP, SDLC, DBMS, Human-Computer Interaction
Additional Skills	Discord/Teams/Slack, Microsoft Office Suite, Stakeholder Communication, Time Management

WORK EXPERIENCE

IT Executive

Jun 2026 – Present

Talukder Group of Industries | Nikunjo-2, Dhaka | Joined June 9, 2026

- Developing individual websites for the group's business units — Furniture, Plastics, UPVC, and E-Commerce — alongside the main Group website
- Led planning, design, and development of the Furniture website end-to-end, now substantially complete and live
- Handling remaining unit websites individually, from planning through deployment

Intern, Creative & Designing

Feb 2026 – May 2026

24/7 Communications Ltd. | Baridhara DOHS, Dhaka | Total Experience: 4 months

- Designed social media graphics, print media materials (flyers, brochures, event banners), and supported brand identity maintenance across various client campaigns
- Applied a technical background in Computer Science to optimize digital file workflows and understand platform-specific design specifications
- Collaborated effectively with cross-departmental teams while adhering to organizational policies and confidentiality requirements

Junior React Developer

May 2025 – Dec 2025

TechWisdom Web Solution LTD | Bashundara RA, Dhaka | Total Experience: ~0.7 yrs

- Developed and maintained responsive frontend web applications using React.js, Tailwind CSS, and Next.js
- Integrated Firebase authentication, routing, and third-party packages into production-grade projects
- Collaborated on the TechWisdom Learning System — a full-stack ERP SaaS with HRM, CRM, CMS, and real-time video/audio calling and chat features
- Technologies: JavaScript ES6+, ReactJS, Tailwind CSS, Nextjs, NestJS, PostgreSQL, PrismaORM

EDUCATION

Bachelor of Science (BSc) – Computer Science & Engineering

2022 – 2026

Major: Information Systems | American International University-Bangladesh (AIUB)

Result: CGPA: 3.65 / 4.0

Higher Secondary Certificate (HSC)

2019 – 2020

Science | King's College, Dhaka

Result: GPA: 5.00 / 5.00

Secondary School Certificate (SSC)

2017 – 2018

Science | Cambrian School & College

Result: GPA: 5.00 / 5.00

NOTABLE PROJECTS

BookVerse

May 2026

[Full-Stack Development](#) | bookverse.techwisdom.site

- Built a full-featured book discovery and management platform based on books infrastructure
- Implemented book listings, search/filter functionality, and user-facing reading management features
- Developed using Nextjs, Tailwind CSS, PostgreSQL, PrismaORM, Radis (cache) and others.

VocabVault

March 2026

[Full-Stack Development](#) | vocabvault.site

- Developed a vocabulary learning SaaS platform with structured word mastery methodology
- Features include word sets, spaced repetition flow, and progress tracking for learners
- Built with React.js, Next.js, Tailwind CSS, and backend API integration

TechWisdom ERP

July 2025

[Full-Stack Development](#) | techwisdom-erp.netlify.app

- Built an Enterprise Resource Planning SaaS using React.js, PostgreSQL, and NestJS
- Implemented real-time video/audio calling, live chat, HRM, CRM, and CMS modules

Talukder Furniture – Corporate & E-Commerce Website

Jun 2026 – Present

[Full-Stack Development](#) | talukder-furniture.com

- Independently handled the entire lifecycle — planning, UI/UX design, coding, data management, and deployment — for Talukder Furniture, a business unit of Talukder Group of Industries
- Deployed and configured the live site on a private server, managing hosting and infrastructure end-to-end

Cambry BD – Visa Consultancy Agency Website

May 2025

[Full-Stack Development](#) | cambrybd.com

- Designed and developed a complete agency website for a study-abroad consultancy using JavaScript and Tailwind CSS
- Delivered a responsive, production-deployed product with full frontend functionality
